Dear Secretary,

Ministry of Women & Child Development launched She-Box portal last year to implement the provisions of 'The Sexual Harassment of Women at Workplace (Prevention Prohibition and Redressal) Act, 2013' more effectively. This portal provides a single window access to every woman employee whether working in public, private, organized or unorganized sector to file complaint of sexual harassment at her work place and also track its status. The Hon'ble Supreme Court has passed various directions for compliance by all employers and competent authorities in the matter of Aureliano Fernandes vs. State of Goa & Ors. Multiple correspondences have also been made earlier with your Ministry/Department in this regard during the last nine months.

2. I would request that the web link to the portal (<https://shebox.wcd.gov.in/>) may kindly be highlighted on all the websites of your Ministry/Department and other digital platforms. This portal may also be publicised through appropriate social media handles and other official channels to create awareness and disseminate information about it so that more and more women employees facing sexual harassment at their workplace are able to use it.

3. I would also request you to kindly review the status of filling up the requisite details on the SHe Box Portal in your Ministry/Department and ensure that each employer is compulsory and fully onboarded.

With regards,

Yours sincerely,

Sd/-
